Counterfeit Detection Report

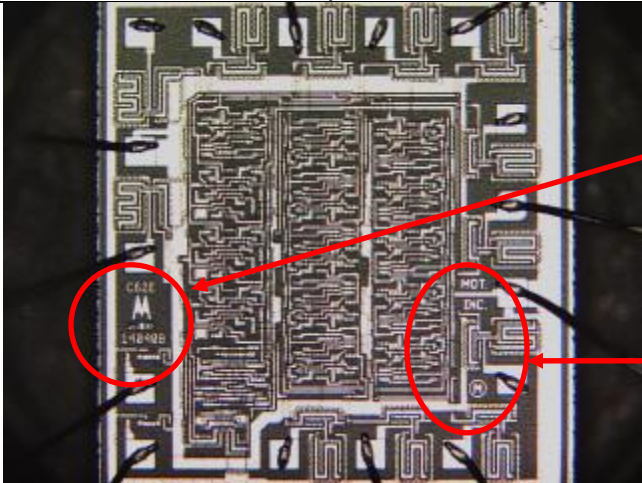

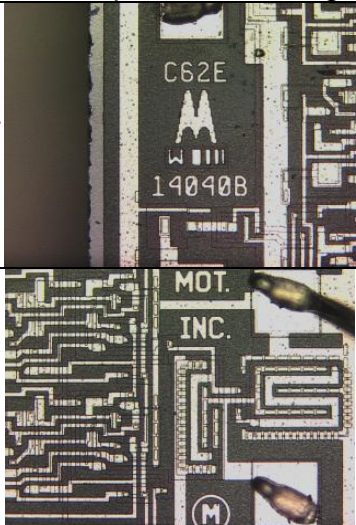

12-5-07

Motorola PN: 14040B/BEAJC

Top component markings	Bottom component markings
	

Component package exterior shows no signs of tampering.
Package passed marking permanency test.

Die images

Die in part 1	Close-up of die markings
	

Die in both parts are exactly the same. The OCM logo and part number etched on the die correspond to component part number.

Conclusion:

No evidence of counterfeiting was found.
